The Plant & Animal Genome Conference / PAG 31 is designed to provide a forum on recent developments and future plans for plant & animal genome projects. Consisting of technical presentations, poster sessions, exhibits and workshops, the conference is an excellent opportunity to exchange ideas and applications on this internationally important project.

**PROPOSED WORKSHOPS**

- Abiotic Stress • Allele Mining • Analysis of Complex Genomes • Animal Epigenetics • Animal Genomics and Adaptation To Climate Change • Aquaculture • Arabidopsis • Arthropod • Avian • Banana • Bioenergy Grass Genomics • Bioinformatics • Brachypodium • Brassicas • Buffalo • Cacao • Camelids • Cassava • Cat & Dog • Cattle/Sheep/Goat • Cattle/Swine • Citrus • Climate Change and ICGGCGC • Coffee • Comparative Genomics • Components of Apomixis • Compositae • Computational Gene Discovery • Cool Season Legumes • Crop Evolution Genomics & Future Agricultural Productivity • Crop Genomics for Global Food Security • CSSA: Translational Genomics • Cucurbit • Data Resource Sustainability and Funding • Degraded DNA and Paleogenomics • Disease Resistance in Cereals • Domestication Genomics • Ecological Genomics • Engineering NUE (Nitrogen) • Epic: the Plant Epigenome Project • Equine • Evolution of Genome Size • Exploring Phytohormones • Flax • Forage • Feedstocks & Turf • Forest Tree • Fruits/nuts • Functional Genomics • Fungal Genomics • Galaxy for NGS Data Analysis • Gene Expression Analysis • Gene Introgression • Genome Annotation Resources At the EBI • Genome Database for Rosaceae Training • Genome-wide Variation In Rhinoceros Species • Genomic Features and Chromosome Functionality • Genomic Selection and Genome-wide Association Studies • Genomics of Genebanks • Genomics of Non-classical Model Animals • Genomics of Plant Development • Genomics of Tissue Regeneration In Plants and Animals • Genomics-assisted Breeding • GMOD • Graft Genetics and Genomics • Grasslands (lolium Genome Initiative) • Host-microbe Interactions • Hybridization, Heterosis and Balancing Selection • Increasing Genetic Gains for Food Security in the Developing World • International Cytogenome Initiative (ICI) • International Goat Genome Consortium • International Phytomics and Nutrigenomics and ICNP • International Rice Informatics Consortium • Interoperability and Federation Across Bioinformatic Platforms and Resources • Iplant Collaborative • Jbrowse • Legumes • Maize • Management of Crop Phenotype Data • Mango • Mutation Screening • NCBI Genome Resources • New Breeding Technologies: Prospects and Regulatory Hurdles • Next Generation Genome Annotation and Analysis • Non-coding RNA • Non-seed Plants • NRSP-8 Animal Genome • NSF/IBBS/CERA-CAPS • Oats • Organellar Genetics • Ornamentals • Palms • Perennial Grasses • Plant Chromosome Biology • Plant Cytogenetics • Plant Dormancy • Plant Genome Engineering • Plant Interactions with Pests & Pathogens • Plant Molecular Breeding • Plant Phenotypes • Plant Reproductive Genomics • Plant Science at the JGI and Kbase • Plant Transgene Genetics • Polyploidy • Population & Conservation • Poultry • Proteomics • QTL Cloning • Quinoa • Recombination – Mechanisms • Root Genomics • Sequencing Complex Genomes • Sex Chromosomes • Small RNA • Solanaceae • Somatic Genome • Sorghum & Millets • Soybean • Statistical Genomics • Sugar Beet • Sugar Cane (ICSB) • Sweet Potato and Yam • Swine • Synthetic Biology • Systems Biology and Ontologies • Systems Genomics • Teaching Genomics, Genomics, Biotechnology, and Bioinformatics • The National Plant Genome Initiative • The Phytoresource Genome • Transgenic Technology in Agriculture • Transposable Elements • Tripal Database Network and Initiatives • Triticeae • UCSC Genome Browser Workshop • Weedy and Invasive Plants

**SPONSORS & SUPPORTERS**

- USDA, AGRICULTURAL RESEARCH SERVICE
- USDA, NATIONAL AGRICULTURAL LIBRARY
- USDA, NATIONAL INSTITUTE OF FOOD & AGRICULTURE
- JOHNS INNES CENTRE

See website for information on Poster & Abstract Submissions, Travel Grant Opportunities, Registration Details, Exhibitors, Accommodations, & more.

**Early Registration Rates**

- **Industry:** $1,400 (Full) $920 (Weekend)
- **Non-Profit:** $910 (Full) $730 (Weekend)
- **Student:** $500

*Rates increase November 1, 2023

**REGISTER ONLINE AT:**

www.intlpag.org

We expect 200+ Workshops, 2,500 Abstracts, 1,200 Posters & 100+ Exhibitors. As well as social and networking opportunities. All in a relaxed and informal setting.
IN CONJUNCTION WITH THE 5-DAY SCIENTIFIC PROGRAM AND POSTER SESSION, THERE WILL BE AN EXHIBITION ON SUNDAY, MONDAY, & TUESDAY.

This exhibition is open to commercial exhibitors offering equipment, services and publications related to genetic research.

The exhibits and poster session will be located in the Grand Exhibit Hall at the Town & Country Hotel (San Diego, CA.) Due to limited space, we suggest you submit your application without delay. Please visit www.intlpag.org to learn more.

**SPONSORSHIP / MARKETING OPPORTUNITIES**

**Badge Lanyards** ............................................ $7,000

**Carpet Signs** *(on Exhibit Floor - 3 locations)* .......... $6,000

**Coffee Break** .................................................. $10,000

**Computer Room/WiFi** ....................................... $16,000

**Digital Media Sponsorship Package** ...................... $3,500

**Exhibit Hall Aisle Signs** ..................................... $12,000

**Hospitality Event** ........................................... $8,000

**Industry Workshop** .......................................... $2,700

*(Includes all standard AV equipment & internet access)*

**Lunch** ............................................................. $15,000

**Mail List Rental** ................................................ $1,200

**Meeting Room Rental Fee** ................................... $350

**Mobile App** ..................................................... $12,000

**Newsletter Banner** ........................................... $1,200-$1,700

**Pads & Pens** .................................................... $7,000

**Plenary Sessions** .............................................. $10,000

**Room Drop** ..................................................... $7,000

**Water Bottles** .................................................. $3,500*

**Website Banner** ............................................... $1,000-$2,200

*denotes sponsor supplies item or pays for cost of item.

For more details regarding exhibiting or sponsorship, contact Darrin Scherago at +1 201-653-5141 (EDT/GMT -5), or via email at pag@scherago.com.
